## **FOR IMMEDIATE RELEASE**

---

### **2010 Street Maintenance Program**

**Kerrville-** The City of Kerrville Street Division will begin the Street Maintenance Program for Fiscal Year 2010 beginning in July and into September. This program consists of street reconstruction and asphalt overlays. The Street Division's dedication to this new phase of in-house construction will save hundreds of thousands in valuable tax dollars.

Historically the Street Division has only provided maintenance such as pothole repair, mowing, street sweeping and many other functions. As we transition into the construction phase we ask that our customers bear with us as we strive to maintain the same level of service we have always provided in these areas, however delays should be expected for the duration of this project. Residents in these areas will be notified by flyer prior to construction on their street. The schedule shown is tentative and streets are listed in the order they will be repaired.

- Reconstruction: July 19 through August 20. Peterson Drive (SH 16 to Newton), Jack Drive, Virginia Drive, and Hummingbird Drive.
- Overlay: August 23 through September 22. McAllen Street, Alice Street, Cedar Drive, Tanglewood (McAllen to Alice), West Main (Bobwhite to Harper Highway), Meeker (Legion to Maple), and Water Street (C Street to SH 27).

For additional information concerning the 2010 Street Maintenance Program contact Mindy Wendele, Director of Business Programs and Public Affairs at 830.792.8343 or visit the City's website @ [www.kerrvilletx.gov](http://www.kerrvilletx.gov).
